- Develop strategies to form a more inclusive and innovative work force.
- Identifying and eliminating barriers to inclusion to open the pathways to innovation
- Utilizing the Know System™ to energize individual and group brainstorming sessions

Why Book Orlando Ceaser?

“He is a speaker with a phenomenal presence and voice. You can trust his power and creativity to move audiences and teach them what they most need to learn.”

- **Brigid Moynahan, Diversity and Inclusion Consultant, The Next Level Inc.**

“I have had the pleasure to hear many great speakers over my professional career and volunteering opportunities and Orlando Ceaser one of them. He has the ability to hold the audience’s interest and to make them hungry for more. He is truly a gifted presenter.”

- **Dee Peart, Willow Creek Cancer Support Group**

“PUSH for Excellence has recently had the privileged opportunity to work with Mr. Orlando Ceaser for several weeks in conjunction with its college-tour program where Mr. Ceaser served as one of our distinguished workshop speakers. If I had to choose three adjectives to describe Mr. Ceaser, I would choose the following words: professional, powerful, and paternal.”

- **Jason N. Robinson, Director of College-Bound Programs, PUSH for Excellence**

Orlando is a great speaker. I have done keynotes with him in the past and if you ever get a chance to have him speak at one of your events know he is very audience focused. He is a sure bet!”

- **Kimberly Farrell, President, Unlimited Performance Training, Inc.**

“Your Audience will be Informed, Inspired and Entertained”

Orlando Ceaser is an author and professional speaker for Watchwell Communications, Inc. He has experience in sales, management, training, diversity, marketing, leadership and personal development for a top 5 pharmaceutical company. He was also the Senior Director of Diversity.

His mission is to entertain, educate and inspire people to action to achieve professional and personal goals. Orlando has developed senior leaders and middle managers. He has spoken to small groups and audiences over 7,000 people. He is a mentor, coach and career counselor.

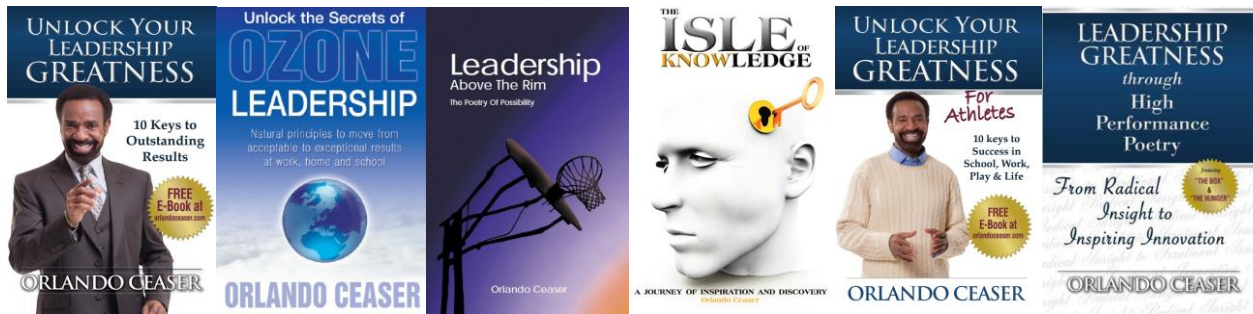

Orlando is an accomplished public speaker, known for his ability to use humor and creativity to motivate an audience and team to think creatively. He is the author of twelve books including, *The Isle of Knowledge*, a fable introducing The Know System™ for making better decision and solving problems. His recent books are *Unlock Your Leadership Greatness*, *Unlock the Secrets of Ozone Leadership* and *Unlock Your Leadership Greatness – For Students*. His comic strip, *Cocky and Rhodette*, focuses on life in the workplace. He is a voiceover artist with commercials for the American Heart Association, Healthy Delawarean and KMT Nutritional Health Food Store.
